School-Lam 27" ROLLER LAMINATOR

Put the fun back into laminating with the School-Lam SL27 laminator. Easy-to-use controls give the user the flexibility to handle many types of laminating projects without complicated displays and multiple buttons. Laminating is the proven way to enhance images, sharpen colors, and protect documents from water, dirt, handling, wrinkling, and tearing. The 1" core machine works great with Dry-Lam School-Lam laminating film or any film up to 3 mil thick. Accommodates roll laminating film up to 27" wide.
