

Press Release

Savannah, GA. June 2010. The Kennickell Group announced...

The Kennickell Group announced the installation of a new Standard Mail Master 565HS Multi Station Inserting System. The Mail Master is designed to meet diverse mail inserting applications. Invitation size cards to quarter inch books can be inserted with minimal operator set up. Such broad capability makes the Mail Master a truly versatile solution for mail and fulfillment applications. The Kennickell Group selected Paper Handling Solutions, Inc. to supply and install the Mail Master.
