

PRESS RELEASE

Mimaki USA Awards Full Line Dealership To Paper Handling Solutions.

Mimaki is an industry leader in wide format UV and Solvent based printing. In addition to roll fed systems, Mimaki has developed innovative technology for flat bed printing for both graphic and industrial applications.

Headquartered in Marietta, GA, PHS markets a full line of Print, Finishing and Mailing Equipment throughout the Southeast. PHS is an award winning dealer for such well- known product lines as: Standard/Horizon, Challenge Machinery, MGI, Mitsubishi, Ryobi, Rena, Baum, and Graphic Whizard. PHS will offer the full Mimaki product line through its retail sales and service force in North Carolina, South Carolina, Tennessee and Georgia. For product inquiries from North or South Carolina please contact our Columbia,SC branch at 803-714-0008. For Georgia or Tennessee inquires please contact our Marietta,GA office at 770-955-3770. For the Company profile and general information, please visit the web site at www.paperhandlingsolutions.com.

PHS reports a noticeable improvement in the Print Industry. Company President, Don Barbour, states that “ sales in most of our major product lines have improved during the first half of 2010”. In spite of this challenging period in the economy and Print Industry, PHS continues to rank in the Top 5 Dealer Category with most of their suppliers.

For additional information concerning recent installations, please visit the News and Information Section of the PHS website.
